

## Prayer letter August 2016

Summer time is a wonderful time. It should be a great time to get closer to God. A time to enjoy the nature and all that he has made and given to us. However it can be very busy. Our routines seem full. Swimming, sports, vacations, family time, work, sleeping in. There just don't seem to be enough time in a day during the summer. With this nice time people tend to take a break from God too. They tend to leave him there until September. Summer is a great way to rejuvenate the mind and soul as we spend time with family and friends. God is the best friend that anyone could ask for. He cares about everything we do. Summer time is not a time to forget and leave God behind. We would never leave our best friends behind, why is it so easy to leave God behind?

***Hebrews 13: 5 says, "I will never leave you nor forsake you."***

God wants us to allow him access to everything we do this summer. He is waiting for the invitation to join you on your summer all you have to do is invite him to come along.

Lord, what about you and me?

I don't want to forget you just because I'm off my normal routine.

Keep close to me, Lord, and remind me that my relationship with you should never take a break.
