

# 2025-2026 DIAKAID Grant Application

DIAKAID is a programme of the DIAKONIA Weltbund e.V., which supports and promotes diaconal projects and emergency measures of member organisations.

## Who can be supported?

Only projects carried out by *DIAKONIA member organisations or their members* can be supported. The project can also be led by another church, diaconal community or external non-profit organisation, but a DIAKONIA member organisation must be significantly involved.

## Which projects can be funded?

Funding is available in particular for...

*... projects that help those in need (not handouts of food),*

*... measures that enable people to help themselves or to organise their own help and*

*... projects that support and train diaconal workers.*

## How much and for how long is the financial support available?

Projects may be realised over a maximum period of one year. A new application is required for projects that last longer. A member organisation can receive funding for the same or a similar project no more than twice. The maximum funding amount per DIAKONIA member organisation is 1000€ per year.

*You can find more information also in the DIAKAID funding guidelines on the website.*

The regional committee members are available to answer any questions.
