

Dear Sisters and Brothers,

Dear members,

DIAKAID is a program of DIAKONIA World Federation (DWF) that seeks to fund special diaconal projects and emergency responses of member associations and communities throughout the world.

DIAKONIA is committed to faithfully *"love mercy, seek justice and walk humbly with our God"* (Micah, 6.8).

The DIAKAID Committee recognises the different ways member associations are engaged in responding to climate, social and economic problems, and is inviting applications for a 'quick turn-around' grant that will offer support for short term projects and activities specifically responding to those kinds of problems which may include:

- Educational work for community members
- Rehabilitation and development of educational and cultural work
- Offering practical support for people who need help because of unemployment, Covid or other catastrophes
- Strengthening community well-being
- Other...

All important information can be found in the attached document.

The application form has to be sent back no later than Friday, April 21st 2023 to the member of the Committee from your DWF Region.

We hope to be able to support your work and some of your projects with these grants.

Kind regards from the DIAKAID Committee
