

2024-2025 DIAKAID Grant Application

DIAKAID is a programme of the DIAKONIA Weltbund e.V., which supports and promotes diaconal projects and emergency measures of member organisations.

As 1 Peter 4:10 says, „Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms.“ - we want to contribute our own gifts and support one another.

Who can be supported?

Only projects carried out by *DIAKONIA member organisations or their members* can be supported. The project can also be led by another church, diaconal community or external non-profit organisation, but a DIAKONIA member organisation must be significantly involved.

Which projects can be funded?

Funding is available in particular for...

... *projects that help those in need (not handouts of food),*

... *measures that enable people to help themselves or to organise their own help and*

... *projects that support and train diaconal workers.*

How much and for how long is the financial support available?

Projects may be realised over a maximum period of one year. A new application is required for projects that last longer. A member organisation can receive funding for the same or a similar project no more than twice. The maximum funding amount per DIAKONIA member organisation is 1000€ per year.

The regional committee members are available to answer any questions and can be contacted.
